Student Welfare

College Ethos

Policy
The college ethos grows out of the Christian faith and worldview. Staff, students and members of the college community understand that the college operates within the Christian ethos.

Procedure
1. The Principal is responsible for maintaining the college ethos.
2. The college website will include a statement of faith outlining the college ethos.
3. Employment contracts are to include the requirement of supporting the college ethos as a condition of employment.
4. Applications for student enrolment are to include the requirement of supporting the college ethos as a condition of enrolment.
