

Principal's Vision

Hello, my name is Norm Fitzgerald and I'm the principal of Australian Christian College Hume. Over the next couple of minutes I would like to share with you what this school has to offer at the North East of Victoria and in Benalla.

Firstly, our school is a Christian school, but we are not Christian just by name, we are Christian in everything we do. We teach from the biblical world view. We also have dedicated Christian staff active in their Christian community.

But that doesn't mean that we neglect academic study. We have a strong emphasis on literacy and numeracy and we don't want any of our students to fall through the gap. And lastly all parents who send their students to our school want to know that their students are safe, and happy and enjoying school. We have a no tolerance policy on bullying and we have a discipline policy that is fair to all of our students. If you think what we have to offer resonates with what you want for your child, then I invite you to come and visit us.
