Student: My favorite thing to do here is swimming.

Student: I like to kick the footy on the oval

Student: When we sing songs, I think that's really good.

Student: Art and swimming lessons.

Student: Math, and some science, and history.

Student: And play on the monkey bars.

Student: The best thing about coming to this school is that we get to play the drums, and I really like to play the drums.

Student: And we get to do fun experiments with Ms. White.

Student: There's no bullies here, and we all get along well.

Student: Well, it's safe, and we all, the children all look out for each other.

Student: The best thing about this school is playing with my friends, playing football, tennis, and cricket.

Student: By teaching us... Help us learn.

Student: If you do something good, they congratulates you.

Student: They're nice and friendly.

Student: They help me learn at school.

Student: This school is the best school because you learn heaps of stuff every single week.

Student: If someone comes to this school, we’re going to be very friendly. We will treat them well, and we like it if lots of children come to our school. We do lots of sports, lots of reading, and lots of activities, and work.
